Bathrooms: Our 2nd St restrooms and laundry facilities will be open 24hrs with water available. Other restrooms and buildings will remain closed until after the water is turned on and they have been de-winterized.

Water: The campground typically turns on the water to all sites on or by April 15th (weather permitting). Once the water is turned on we will be checking the lines for leaks or repairs that need to be made so there may be intermittent shut-offs during this period. Next, we flush our water system and will send in a sample for testing. We will post an update as soon as we receive the results. Please do not drink the water until posted "safe to drink" after the initial turn-on date.

Pump Outs: Done weekly on Thursdays. Pump-outs will start being offered on April 21st, 2022, (unless the weather does not permit water being on.) Please prepay online or by calling our office/check-in booth no later than Wednesday at 8pm.

Propane: We will fill any prepaid propane tanks at the station by the office & check-in booth daily at 1 pm. Your tank must be at the fill station and have the prepaid receipt attached to be filled. You can prepay online, by phone, in person at the office, and at the front check-in booth.

Wood: Available for \$6 per bundle at our front check-in booth. You can schedule larger quantities to be delivered to your site by contacting a 2022 wood vendor.

2022 Wood Vendors:

- Slabuilt Wood Products: 616-319-3619
- Eddie: 517-937-4181

Campfires: must be attended to at all times and an adequate water source must be available. No pallets or garbage in your campfire. To contain and stop the spread of diseases to trees, do not bring wood in.

Improvements: There will be some construction projects this year including the completion of the new seasonal entrance, roads, wastewater system, two new Jumping Pillows, and some renovations to our mini-golf. Please avoid construction areas, and allow the crews to work uninterrupted.

Boats: Must be removed from campsites by Friday of Memorial weekend AKA May 27th (exception for kayaks, they may be stored neatly at your campsite).

Grass Disposal: only grass should be placed in the "Grass Wagon" located by the trash drop-off. No bags or trash in the "Grass Wagon" please.

Trash Drop Off: Located conveniently near the south end of our campground for easy drop-off upon departure. Our trash drop-off is limited to your standard bags of trash, from your camping stay only.

Curfew: 10 pm or dark every night until Friday, May 27th. Our lighted recreation courts may be used after dark with parental supervision.
