## Post Season & Winter Season Info

**Standard Seasonal Daily Fee:** \$10.00 per day charge will apply if you are at the campground or plugged into the power box. For example: if you arrive on Friday and leave on Sunday, the charge will be \$30.00. Daily passes expire at 12am. (Seasonal Diamond Pass holders will not need to pay the fall daily fee or worry about unplugging until October 31). Please clean off your plug before putting it back into the electric pedestal. Power to campsites will be off (October 31st-April 1st).

**Trash Drop Off:** Located conveniently near the south end of our campground for easy drop-off upon departure. Our trash drop-off is limited to your standard bags of trash, from your camping stay only.

**Pumpouts:** Last sewer pump-out date is October 13th, 2022. After pump-outs are done for the season you will need to haul & dump your own wastewater at the dump station.

**Winterizing:** Be sure to winterize your RV before we close on October 31. When you winterize your RV, remember to disconnect your power cord and water hose. Pick up any cords, hoses, or other loose articles to prevent their loss and or damage.

**Water Shut Off:** The campground is scheduled to be winterized on October 24th (weather permitting). If the temps get too low we may require to turn the water off before October 24th. The 2nd street restroom and laundry will remain open through October 31.

**On Campsite Winter Storage:** If you have a registered boat with a 2022 boat sticker, it may be stored on your Campsite at no additional cost. Boats may not be stored anywhere other than your own campsite or registered storage space. Boats left anywhere else in the campground will be removed at the owner's expense. Vehicles & utility trailers are NOT permitted to be stored on your lot.

**Boat storage:** If you prefer NOT to store your boat on your campsite for the winter, see the office for a winter storage space (Spaces Are Limited). The cost is \$100.00 for the winter.

**Curfew and Quiet Time:** Policies remain in effect until we close, on October 31st. Quiet time is 11pm and golf cart curfew is midnight. All children, including teens, must be on their campsite by dark or when the streetlights come on. However, you may use the lighted recreational courts until 11pm if accompanied by a parent.

**Power & Water:** Once turned off at the end of the season, the power will not be available to campsites until April 1st, 2023, and mid-April (weather permitting) for water.

**Campground Access After October 31st:** Starting Sunday, November 6, the gate will be open on Sundays from Noon to 3pm. (\*Except for Thanksgiving through New Year\*). We will resume opening on Sunday's noon to 3pm on January 8, 2023. When there is snow, only main roads will be plowed.

**Camper Mail:** All camper mail sent to the campground pre and post-season will be "Returned To Sender". No camper mail will be accepted so please be sure to change your deliveries accordingly.

**Winter Phone Hours:** After October 31, the office will answer phone calls, emails, & messages Monday through Friday from 9am-5pm. (Except Thanksgiving through New Year).

**E-News:** Please sign up for our e-news on our website and follow our "Greenwood Acres Family Campground" Facebook Page for updates and information.

**Email:** To receive your 2023 seasonal camping renewal and correspondence, please be sure to have a current email address registered on your account.
