## Seasonal Post Season Camping Info

**Electricity:** If you plan to leave your RV plugged into the power box starting September 6, 2022, you will need to pay in advance for the number of days you will be plugged in. If you decide to unplug, remove the cord completely from the power box. Please clean off your plug before putting it back into the pedestal.

Power to campsites will be off (October 31st-April 1st) Seasonal **Seasonal Daily Fee:** \$10.00 per day charge will apply if you are at the campground or plugged into the power box. For example: if you arrive on Friday and leave on Sunday, the charge will be \$30.00. The \$10.00 is a daily fee and is not based on 24 hours.

Diamond pass holders will not need to pay the fall daily fee or worry about unplugging until October 31.

**Trash Drop Off:** Located conveniently near the south end of our campground for easy drop-off upon departure. Our trash drop-off is limited to your standard bags of trash, from your camping stay only.

**Pumpouts:** Last sewer pump-out date is October 13th, 2022. After pump-outs are done for the season you will need to haul & dump your own wastewater to the dump station.

**Winterizing:** Winterize your RV before we close on October 31.

When you winterize your RV, remember to disconnect your power cord and water hose. Pick up any cords, hoses, or other loose articles to prevent their loss in storms or getting caught in the mowers in the spring.

**Water Shut Off:** Campground is scheduled to be winterized sometime between October 15th-October 31 (weather permitting). If the temps get too low we may require to turn the water off before October 31. The 2nd street restroom and laundry will remain open through October 31.

**On Campsite Winter Storage:** If you have a registered boat with a 2022 boat sticker, it may be stored on your Campsite at no additional cost. Boats may not be stored anywhere other than your own campsite or registered storage space. Boats left anywhere else in the campground will be removed at the owner's expense. Vehicles & utility trailers are NOT permitted to be stored on your lot.

**Boat storage:** If you prefer NOT to store your boat on your campsite for the winter, see the office for a winter storage space (Spaces Are Limited). The cost is \$100.00 for the winter.

Email: Please provide the office with a current email address so we may email your 2022 seasonal reservation along with other camping news, announcements & updates.
